

# RECOVERY & REBUILDING THE REGION

DESIGN CHALLENGES

These are the questions you will be asked to complete in your submission to Design Challenge Two.

**Collaborative Innovation:** (max 1000 characters)

Describe how the project, product, service or solution demonstrates collaboration. What could you do with others that you could not do on your own for this project, product, service or solution? Who are your collaborative partners?

**Regional Impact:** (max 1000 characters)

How is the innovation able to demonstrate measurable regional impact? What region(s) does the innovation operate in and what other innovations are addressing similar needs/issues?

**Viability & Design:** (max 1000 characters)

Describe how the innovation aligns with economic and community prosperity through technology-enabled social impact. Is the innovation already operational or in the ideation stage?

**Equity & Inclusion:** (max 1000 characters)

How is the innovation showcasing an openness to new, inclusive and disruptive approaches? Please describe if your innovation could meet the needs of any communities disproportionately impacted by COVID-19?

**Design Scalability:** (max 1000 characters)

Explain how the innovation has potential for a project, product, service or solution that could be viable, profitable, scalable and able to create jobs.

**Financial Investment & Coaching Supports** (max 1000 characters)

How will the \$20,000 investment be used? What wraparound and coaching supports from Libro Credit Union, Pillar Nonprofit Network, TechAlliance, WEtech or Communittech would support your innovation?

**Anything else you would like to share?** (max 500 characters)
